

SHOOT BRIEF

Creative Brief: Professional Basketball

Keyword Code: **BSKTJUNE2019**

Sport-themed clips are always a hot subject, whether they're covering a professional or leisure sport. Similar to our other primary categories, sports-related imagery can illustrate strong concepts far beyond its literal representation. Sports concepts related to success, determination, power, endurance, focus, preparation, precision, achievement, and teamwork are often used to target business themes.

Shot List Thought-Starters:

- Basketball going through hoop – all net
- Basketball hitting rim – missed shot
- Basketball player slam dunking
- Player taking a jump shot alone and over defender
- Defensive player blocking shot
- Player dribbling past defender
- Two opposing players jumping for possession of the ball
- Portraits

Suggested Keywords: Competition, Concentration, Success, Failure, Accuracy

Typical Users: Banking and Investment Companies, Telecommunication Companies, Internet Services, Credit Card Companies, Entertainment and Media Industries

Pro-Tip:

Budgets on professional sports shoots that include a large cast and uniforms can run pretty high, but they don't have to if you can cheat themes by shooting tighter angles and limiting your cast to a few principal actors.

Casting Considerations: Race diversity. Real athletes will play an important role in the success of your shoot.
